

APCM Report July 2021

Brimscombe C of E Primary School

There are currently 99 children attending our local church school. Over the last year the staff and children had to adapt and cope with the effects of the pandemic, with its many changes and challenges.

There has been a mixture of remote learning, with some live lessons over the internet for classes and some whole school activities online, including worship.

The Head and all staff went to great efforts to keep in touch with the children and families that were not able to be in school, via phone calls, over the internet and good old fashion posting of resources. This helped to keep the pupils safe and to continue with their learning. The children have now all settled back into their classes, albeit in various 'bubbles'.

The Diocese have given the school prayer resources, including a 'Prayer Bear' and materials for Collective Worship. The children continue to enjoy 'Open the Book' with the Woodchester Team via video.

There is a new video on the school website homepage which is truly lovely to watch so please please check it out!

Finally, the Governing Body currently have a vacancy for a Foundation Governor, so please do consider if this rewarding role could be for you.....

Graham Ayre, Fiona Short or Catherine Crampton would happily explain what it involves.
